easy-care convenience.*

*Odyssey Plus® Premium Vinyl Siding*

*Perfect for every project.*

*Odyssey Plus® is the perfect siding for homeowners who want outstanding performance, a beautiful appearance and maximum convenience. Loaded with advanced features, a premium .044" thickness, classic clapboard or dutch lap profiles, and with the look and feel of natural cedar – it's one of the best investments you can make to your home.*

***Premium appearance.***

Choose from two of America's most popular siding styles – traditional clapboard or beveled-edge dutch lap. Both styles are available in 4" and 5" widths. A natural grain pattern, realistic shadow lines and a low-gloss, look-of-paint finish recreate the distinctive details of expensive wood siding. For maximum design flexibility, choose from 19 popular colors including 6 new designer colors.

***Outstanding performance.***

Premium panel thickness (.044" nominal) and an advanced lock design provide superior rigidity so walls stay straight and smooth. The strengthened lock provides superior holding power, keeping panels tight on walls, even in extreme winds.

***Maximum convenience.***

Odyssey Plus is made with durable, weather-resistant vinyl, so there's never any painting or staining. Just rinse occasionally with a garden hose to keep Odyssey Plus looking like new.

Odyssey Plus is loaded with premium features that are not found in many competing sidings. Make the comparison yourself . . . you'll find Odyssey Plus is the best investment you can make in your home.

*Odyssey Plus. The preferred choice for lasting beauty and quality.*
